EDITORIAL

Darlings,

Contrary to what some believe, money is *not* the root of all evil — it is very evil not to have enough to go around, however!

For many of us, this past year has been tougher financially than in previous times, like the wonderful 1980s, when everyone had two new pairs of heels in the closet and a new dress for Saturday night. But do not despair, dear ones, things are going to get better right now! True, there are some necessary things a “girl” can’t be without these days, like lipstick, clean panties and RUBBERS! But getting a group of friends over for a Saturday night with a bottle of wine, a good video, photo albums, and how about cooking for a change (a little pasta in a pretty apron) can save a small fortune, darlings — trust me, I know!

Speaking of past good years, I have taken this issue to reminisce a little about the good old days, the innocent days, the true glamour days when life seemed to be filled with great expectation and simplicity. I’m reminded of the great entertainers at the Club 82 where in 1967 (at the tender age of 17) they took me under their ample wings. They all had such an impact on my future.

It brings me great joy to try to share a glimpse of what it was like then: Female waiters dressed as men; the 10-piece orchestra tuning up; cigarette girls pacing up and down; spotting various celebrities who came to have the time of their lives. Hans Crystal is in her dressing room putting on her lavender French paste-on wig (she was the only one who was allowed to wear a pastel color hair. One dancer tried blue and got fired on the spot!) Frank Quinn is fighting his monkey into a bag for his strip act; four queens are fighting over a new headdress; Baby Martell is threatening to burn the wig right off so-and-so’s head with a blow torch she devised from a match and a hair spray can; and in one minute you can hear a drum roll and Kitt Russell yelling to us in the dressing rooms, “OK kids, it’s SHOWTIME.” Great memories — all of them!

As I have requested in the past, amateur photos of your own would be a great contribution to us right now. Many of our readers have expressed an interest to see non-pros doing their thing (nicely, of course). We could make it a contest with prizes, etc. What do you say, girls. It’s better than worrying about the bills!

Love,
Kim Christy

SHOWTIME AT THE CLUB 82

Hans Crystal after the application of her famous lavender, French, paste-on wig, just before dressing in her costume for the opening number, "Just Wait Till Paris Sees Us."

In the basement of an apartment building on East 4th St. and 2nd Ave. was Club 82, the show palace of New York in the late 1960s. Dozens of the cities most beautiful "girls" began their professional lives here, for little more than the chance to be on stage, painted, powdered and gowned like never before.

CLUB 82

Three production numbers and an assortment of the most unusual spot acts in the Big Apple, had people coming back for more — and they were never disappointed. Avis, the soul-sister of the group, kept the audience spellbound as she bumped and ground her way across the stage, showing very little except her warm smile, flash of chiffon and her famous freeze! And all of this went on six nights a week, two shows a night, three on Friday and Saturday!

Ty Bennett was the main MC, singing and telling jokes, Safe Tucker style. Frank Quinn (shown below) did a similar act, except with a striptease that included a live monkey that sent the show room of 500 people laughing and begging for more (which, of course, they got).

Dear Kim,

In response to the Editorial by Kim Christy in the 2/1 issue of *Sissy Expose* regarding what I, as a reader, "really wants"?

The reference to "pretty pictures of harmonized dolls" and "show-girls" got my attention, as well as "springolators". That is what I buy the magazine for, since my focus is a love of femininity and sexy, desirable persons who are open to my romantic intentions for them if they practice the feminine arts.

Spiked heels, mini-skirts, lipstick, eye makeup and such, on the right person, gets my admiration if done well and on the right person, especially those "harmonized dolls" Kim referred to. I have no desire to wear such things myself, to be dominated. I am *not* attracted to men, since I already am one, and because I pursue femininity.

It is ironic that, more often than not, the epitomie of flirting, desirable and just plain hot feminine charm are the models featured in *Sissy Expose*, and that

is why I buy it! So please bring on more, because if I can't actually meet the person of my dreams, at

**"Springolators
have always been
a part of my
wardrobe."**

least I can see them on your pages!

I'm *still* quivering with desire over Dana Douglas and "Fallon". I hope you appreciate my input. Thanks for giving me the chance to contribute!

P.S.: Do you know what a turn-off it is for me to take a girl out and have her complain all night about "having" to wear high-heels? I Do! Also, I've admired Kim Christy ever since I first saw a photo of her at the age of 18!

Best regards,
H.W.

Dear H.W.,

Well, well. You certainly know what you like. "Springolators" have always been a part of my wardrobe since I was 15!

Thank you,
Kim

Dear Kim,

When I wrote to you expounding on my tastes for TVs and TSs, I figured that would be it. I was hoping for a reply, but not really expecting. So when I saw that you

had published it (Vol 21, No. 4) I was flabbergasted. I am both flattered and honored that you deemed it important enough to print.

Whenever I read *F.M.I.*, I am always envious of the young people. Not only for their beauty and their femininity, but for the fact that they live in a society that readily accepts males looking and dressing as females.

You and I grew up in an age where to don female clothing made you some sort of sex pervert. But today's young male can find doctors and others who will cosmetically aid in their quest for femininity. No longer do they have to live in the closet for years, with the fear of discovery.

To be truthful, I am extremely happy for them, and disappointed for me. Dissatisfied that it took so long for others to accept us. I often wonder just how many of today's young women, the ones you meet in everyday life, are or were born genetically male.

I only recently discovered that one of the pretty young secretaries where I used to work had undergone sexual re-assignment. I vaguely remember her undergoing the surgery. We were told it was for "female problems." That satisfied all us males as we didn't know what they meant by *female problems*.

Your friend,
Marci

Dear Marci,

Times have changed, true. But for many there will never be the freedom and approval we have known for many years. Even for those who work as females in secret, the fear of being found out is its own hell in itself. Believe me, I know!

Your friend, too
Kim

My Dearest Kim,

I would like to relate to you and your readers yet another adventure of mine as "Desiree, the Hot-To-

Trot Transvestite."

It all started out with an innocent afternoon, decked out in the sexiest pink mini-skirt and diamond adorned top to match — I was sex spelled out in class. With the 5½" dorsey pumps highlighting my long, luscious, silk-encased legs, I carried myself daintily with feminine grace, touched with a little whorish swing of my hips. My hair and makeup was equally classy, with a long blonde wig cut in a layered fashion, softly laying over my 38D breast forms. My pink eye shadow, eyes outlined in black eyeliner and long full black lashes made my face shine with lustful femininity.

"To don female clothing made you some sort of a sex pervert."

Admiring myself in my transvestite room, which is a comfortable sex parlor complete with wall and ceiling mirrors, I was enjoying a drink when all of a sudden the door opened and there stood Karen, my wife's bi girlfriend.

She complimented me on my look and said it was a shame to waste all that beauty by staying at home, whereby she grabbed my hand and off we went on what Karen described as a transvestite's night to remember. She explained that Clara had OK'd this adventure and I was to be on my best female behavior, no matter what happened.

We spent the rest of the daylight hours at the mall, where I was treated to a session with Glamour

Shots photography booth. There I was touched up a bit and posed for the sexiest shots you can imagine. The male photographer took extra soft care in handling my legs and breasts when he had to position me for my glamorous photos. Karen winked and smiled with devilment whenever she noticed my heart beating with excitement from the touch of such a handsome man. Had it not been for the penis gaff attached to my restrictive corset, I would have surely given myself away with an enormous hard-on.

Afterwards, we teased many men by strutting the mall. You wouldn't believe the heads we turned. When nightfall came, we headed to the strip joints and took two chairs by the bar. Karen made sure we were very visible to the men sitting below us at the tables. Sitting on the tall bar stools exposed every inch of our sexy legs. It didn't take five minutes before two handsome studs approached us and bought drinks for all.

My man, Kevin, was gorgeous, with thick long blond hair, a body that would put Mr. Olympia to shame and a very noticeable piece of manhood between his legs. Karen, having a special attraction to black men, had no problem with her man, Mike, a Ray Victory look-alike. I had to admit, the idea of having a black cock was very mouth watering, especially if it was anything like Ray's. We spent the next several hours dancing, watching beautiful girls take it all off, and drinking till I was so at ease in Kevin's arms, I hated to leave him for the ladies room.

In the ladies room, Karen informed me that Kevin and Mike were aware of my true sexuality and that they expected a very fulfilling night to come with both of their lustful ladies. Knowing this just released my true slutty and horny ways with Kevin when we returned to the bar.

Karen suggested the notion to get a dance table and have one of the girls do a table dance. They chose a very secluded corner and paid one of the most beautiful women in the club fifty dollars to dance for a half hour. Once there, Kevin couldn't

keep his hands off of me. Karen winked and whispered in my ear to "Go for it all, suck his cock off here under the table." My cock rose the best it could in my gaff, with the wicked thoughts of my mouth surrounding his manhood.

With newfound nerve, I eased under the table and unleashed a massive length of manhood that would put Rambone to shame. Licking and teasing his balls, I lathered his cock with my tongue's juices. Stretching my mouth the widest it's ever been, I slowly engulfed this one-eyed monster, with half down and at least six inches to go, I swallowed twice and inched it down further and further with each swallow.

Not until my nose was buried in Kevin's blond pubic hair did I begin to massage his dick with my full pink lips. Kevin's fingers ran through my hair as I lovingly carressed his meat in my mouth. Increasing my rhythm, I felt his hands tighten around my head and soon was rewarded with a mouthful of hot love juice. Swallowing it all, I lovingly licked my newfound lover's pride clean of all his juice, being sure to savor every last drop.

Arising to the table, I was applauded by not only Karen and Mike, but the dancer even knelt and whispered in my ear that if I liked that, I should try Mike's chocolate pop. Crazed with cock-sucking passion, I returned to my knees and found Mike's cock not only out, but hard as a rock. Evidently, Karen had been jacking him off while they watched me suck Kevin. I eagerly attacked the very thick, long, black and well-defined cock with lustful passion. Driving him crazy by tonguing the cum hole, it took only three minutes to taste his manjuice.

Sitting back in my chair, I sipped on another drink and just smiled. Karen told the men that Desiree deserves to be satisfied now and suggested we all go back to my sex parlor.

Upon arriving back home, I found Clara waiting on the bed, dressed for *sexcess*. Adorning her body was a studded corset, along with a long, stiff black dildo. Karen

told her that the evening went as planned and that I was the perfect slut, decked out in pink. Being instructed to disrobe, I found myself being ordered to serve my guests in nothing but my pink corset, stockings and heels. As soon as everyone was served, Clara turned on the video camera and I was amazed to see myself sucking both of our gentlemen's cocks. It seems they had positioned a camcorder near our table in order to get all the action. Everyone bragged on my ability and technique of sucking large dicks. Soon, it was obvious, Kevin and Mike wanted some more attention,

**"I would love to
become the woman
I've always wanted
to be."**

so I was properly positioned to take both men. Mike gingerly eased his cock in my newfound cunt and I lavishly tongued Kevin's monster again.

We ended the evening sacking out, covered in cum, and definitely with smiles on all faces. Luckily, they saw fit to record every last motion on video, so I can relive a "Transvestite's Night to Remember."

Love,
Desiree

Dear Desiree,

I just love hearing your adventures and hope that you will continue to grace us with your nasty stories.

Love,
Kim

Dear Kim,

Hi, Kim! I'm 33-years-old and have been crossdressing as far back as I can remember. I do go out in drag to shop for clothes and make-up, but have never gone to a bar or out with anyone else.

I began by wearing my mother's girdle and then moved to my sister's clothing. When I was old enough, I began buying clothes myself.

When I was younger and stayed with my cousins, they dressed me & one of my cousins up as women. I was sure then I should have been a girl.

I would love to start taking hormones to become the woman I've always wanted to be. If you can come up with any suggestions of how to become more feminine, I would really appreciate it!

Sincerely,
Crystal

Crystal darling,

The pages of F.M.I. would burn up if I were to run all the hot photos of you. Your passion alone makes you a very special, very feminine girl, indeed — even without taking hormones!

Keep up the good work (no pun intended.)

Best,
K.C.

Fifties Fantasy

Fifties Fantasy

“Queens in Silk”

From the now collector's editions of fantasy pictorials, we are proud to again publish this classic story line for the first time in more than thirty years.

“Queens in Silk”

It was just to be a romantic, ordinary kind of evening, but little did this macho horndog realize the spell of femininity Ava would have him under.

Make-up, panty girdle, garter belt, real silk hose, sling backs. She knows how to make Him a “Her”, to play with just the way she wants. Her little bitch whore is doing everything “she” is told.

"Queens in Silk"

Fifties Fantasy

Could it be Ava's been hiding something from these dudes, or does she get her kicks from transforming boring to brilliant. Her sex toys must be soft to the touch, wonderful to snell and eager to please! "Come on now, lets get started. Get those horrible man-things off."

A perfect blonde with all black underthings: Jezebel bra, tight lace panties to keep flat and hidden, and, of course, silk stockings with seams. "More make-up, my little slut. When I take you out I want the men to stare and flirt with my pretty girls."

Fifties Fantasy Queens in Silk

Ready to paint the town red (like their lips and nails), we know only too well the fun and excitement that await this trio. Their dresses blowing up, their high-heels clicking, the smell of perfume hanging in the air.

Where is Ava when you need her? We would all love to go out together sometime!

Without a doubt, we've presented many outstanding beauties across the pages of F.M.I. It's true it's not polite to pick favorites or be critical at all in my position, however I do know, after some worldly experience, what I like and don't like!

Heather is someone you could really like. Not just a show stopper on stage, but a sweet and genial spirit, off.

on stage, but a sweet and gentle spirit, off.
